IN NEWARK BLAZE**

Twenty-Five Automobiles Damaged  
in Fire Which Destroys  
Garage.

Two firemen were injured by a fall from the wall and twenty-five automobiles were damaged in a fire at the West Park Garage, Nos. 469-471 South 17th Street, Newark, early to-day. The one-story brick and frame building was totally destroyed with loss, estimated at \$60,000, covered by insurance.

The injured firemen are Capt. Henry Schoellty, Engine Company No. 21, and Fireman Frederick Lyons, Truck Company No. 9. They were taken to the

City Hospital, where they were treated for internal injuries.

According to Levy Ross, watchman at the garage, he heard an explosion at 3 o'clock this morning and saw the rear of a motor car in flames. Before the apparatus arrived the garage was a mass of flames. Six cars were totally destroyed.

Persons living in a three-family frame house close to the garage were forced to flee. The garage was owned by Kellerman & Harrison Company.

ATLANTIC CITY, Feb. 10.—When seven-year-old Edwin Adams, son of Harry E. Adams, of Pleasantville, came home from school yesterday he found the house locked and ran for his grandmother, Mrs. Vanderhof. She hurried to the home of her son-in-law and found him dead in his bedroom with a bullet hole in his head. A note on the table said he was tired of life.
